

# Wandatrak Auckland

---

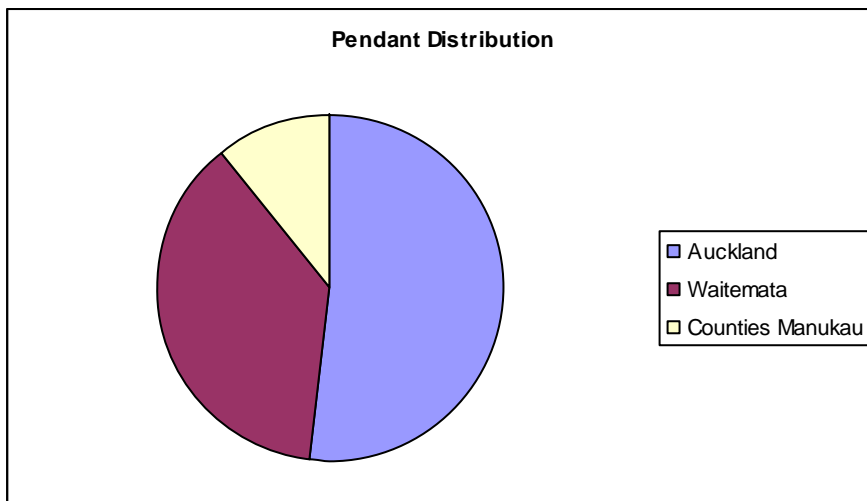

**Auckland**

**December 2009**

Auckland is made up of 3 Policing Districts. They are Auckland, Waitematā and Counties Manukau. These Districts cover from Pokeno up to Wellsford. We cover all three districts for both Wandatrak and Search and Rescue.

## How are the Pendants Distributed

Below is a graph showing how these pendants are distributed per district. Wandatrak in Auckland is in its infancy so it would be interesting if the proportions change over time.

## No of Pendants issued

Currently: 56

## No of Searches using Wandatrak

November: 4

Total: 19

Have a safe Christmas break and we look forward to reporting again in the New Year.
